

## Fire Bottle Addendum

Thursday, February 14, 2019

SXS Sports Racing LLC  
2620 Development Dr.  
Green Bay WI 54311

It was previously posted on page 30 of the SXS Sports 2019 Rule book, CCR 24 - FIRE PROTECTION, that all race vehicles are required to have on on board, SFI 17.1 approved (five pound minimum) fire extinguisher. This information was incorrectly published and the requirement remains the same but with a two and a half (2.5) pound fire extinguisher.
